

Annual Activities Report for the Financial Year of 2023-2024

About the Organization

Tilaboni Ambassador Charitable Society (ACS) is a national indigenous, non-political, non-profit charitable organization committed to the care, protection, education, and holistic development of vulnerable children and disadvantaged communities. Guided by the belief that every child deserves a safe and nurturing environment, the Society works to provide shelter, education, healthcare, nutrition, emotional support, and opportunities for a brighter future.

Through its Dreaming Centers, children's home, educational initiatives, and community development programmes, ACS continues to serve children regardless of caste, religion, ethnicity, or economic background.

President's Message

Dear Friends and Supporters,

It is with gratitude and joy that I present the Annual Activities Report for the Financial Year 2023-2024.

Throughout the year, Ambassador Charitable Society remained dedicated to protecting vulnerable children and strengthening families and communities through compassionate care and quality education. Every child entrusted to our care received love, security, nutritious food, educational support, and opportunities to develop their talents in a family-like environment.

The achievements highlighted in this report have been made possible through the generosity of our donor, volunteers, well-wishers, staff members, and community partners. Together, we are transforming lives and giving hope to children who have experienced neglect, poverty, and hardship.

We sincerely thank everyone who has stood with us in this mission.

Mrs. Barnali Dutta
President

Our Residential Child Care Programme

The Children's Home continued to provide a safe, caring, and family-oriented environment for vulnerable children, particularly boys and girls whose age above 5 and who are from economically disadvantaged families, orphaned children, and children at risk of neglect and exploitation.

Rather than functioning as an institution, the home strives to create a loving family atmosphere where every child is respected, protected, and encouraged to grow with confidence and dignity.

During the year, children received:

- Safe residential care
- Nutritious meals
- Educational support
- Clothing and personal care
- Emotional counselling
- Recreational activities
- Moral and value-based education
- Protection from child marriage, child labour, abuse, and neglect

The programme continued to play an important role in safeguarding children from social risks while preparing them for independent and responsible lives.

Educational and Holistic Development

Education remained one of the Society's highest priorities. Children received continuous academic support alongside opportunities for personal growth through music, poetry, cultural performances, sports, and creative activities.

Special emphasis was placed on building confidence, discipline, leadership, teamwork, and respect for others.

Celebration of National and Cultural Events

Throughout the year, the Society celebrated several national and cultural occasions that promoted patriotism, cultural awareness, gratitude, and social values among the children.

Rabindranath Tagore Birth Anniversary

Children and staff celebrated the birth anniversary of Gurudev Rabindranath Tagore by decorating his portrait with flowers and presenting songs, poems, and recitations. Staff members also shared inspiring messages about his contribution to literature and education.

Mother's Day

Mother's Day was observed with great affection and appreciation. Children honoured their caregivers with gifts and expressions of gratitude, recognising the love and care they receive every day within the home.

Independence Day

The Society proudly celebrated Independence Day through flag hoisting, the National Anthem, cultural presentations, poems, songs, and speeches that encouraged patriotism and civic responsibility among the children.

Teachers' Day

Children organised a heartfelt celebration to honour their teachers and caregivers. They presented songs, dances, poems, gifts, and speeches expressing appreciation for the guidance and dedication of the teaching staff.

Christmas Celebration

Christmas brought joy and fellowship as children participated in worship, cultural programmes, music, drama, games, cake cutting, and shared meals. The celebration strengthened friendship and created lasting memories for every child.

Netaji Subhas Chandra Bose Jayanti

Children paid tribute to Netaji through floral offerings, speeches, poetry recitations, and discussions about his contribution to India's freedom movement, inspiring leadership and patriotism.

Republic Day

Republic Day was observed with dignity through the hoisting of the National Flag, singing of the National Anthem, tribute to the martyrs, and educational talks highlighting constitutional values and national unity.

Impact

The programmes implemented during the year contributed to:

- Improved protection for vulnerable children.
- Increased access to education and personal development.
- Greater awareness of national values and cultural heritage.
- Enhanced emotional well-being through a family-based care model.
- Development of confidence, leadership, creativity, and social responsibility among children.

Acknowledgement

Tilaboni Ambassador Charitable Society expresses heartfelt gratitude to all donors, volunteers, well-wishers, staff members, government authorities, and community partners whose encouragement and generous support have enabled us to continue serving vulnerable children with compassion and excellence.

Together, we are building hope, restoring dignity, and creating brighter futures for every child.

Looking Ahead

In the coming year, the Society aims to:

- Strengthen residential child care services.
- Expand educational support programmes.
- Improve health and nutrition initiatives.
- Enhance life skills and vocational training.
- Build stronger partnerships with donors and communities.
- Continue advocating for child protection and holistic development.

Together, we remain committed to ensuring that every child grows in a safe, loving, and empowering environment.
