

Annual Activities Report for the Financial Year of 2025-2026

"Giving Every Child a Safe Home, Quality Education, and Hope for a Brighter Future"

President's Message

Dear Friends, Partners, Donors, and Well-wishers,

With immense gratitude and humility, I present the Annual Report of **Tilaboni Ambassador Charitable Society (ACS)** for the Financial Year **2025-2026**.

This year has been another significant milestone in our journey of serving vulnerable children and marginalized communities. Guided by our vision of creating a society where every child enjoys love, protection, education, and equal opportunities, we continued to strengthen our programmes despite increasing social and economic challenges.

Through our Dreaming Centers, Ambassador Mission School, and community outreach initiatives, we have provided shelter, nutritious food, education, healthcare, emotional support, and holistic development to children who would otherwise remain vulnerable to neglect, exploitation, child labour, and child marriage.

Every child who enters our care becomes part of our family. Their smiles, achievements, and growing confidence inspire us to continue serving with dedication and compassion.

On behalf of the Society, I extend my heartfelt appreciation to our donors, sponsors, volunteers, government departments, churches, community leaders, and staff members whose unwavering support has made this ministry possible.

Together, we continue to transform lives and build hope for the future.

Barnali Dutta

About Tilaboni Ambassador Charitable Society:

Tilaboni Ambassador Charitable Society (ACS) is a national indigenous, non-political, non-profit charitable organization dedicated to the protection, care, education, and holistic development of vulnerable children and marginalized communities.

The Society derives its name from **Tilaboni**, the village where its humanitarian journey first began. At the time of registration, the Government of West Bengal required the name of the village to be included in the Society's registered title. Although our work has since expanded far beyond Tilaboni, we have proudly retained the name as a reminder of our humble beginnings and enduring commitment to serving disadvantaged communities.

Today, the Society operates from its administrative headquarters:

Ambassadors Tower

At: Dudhebudhe

P.O.: Jamsol

P.S.: Keshiary

District: Paschim Medinipur
